IN THE MATTER OF THE SEARCH OF  
PRIORITY MAIL PACKAGE TRACKING

Case No. 3:21MJ408

Filed Under Seal

**AFFIDAVIT IN SUPPORT OF  
AN APPLICATION FOR A SEARCH WARRANT**

I, Joseph Rossiter, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").
2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Criminal Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Criminal Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery

address, the package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. On November 12, 2021, Postal Inspectors intercepted a package (hereinafter "the Package") at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail large flat rate box, bearing tracking number 9505515069861313017841, postmarked November 9, 2021, with the following address information:

<b>Sender:</b>	Conner Cook 2452 Santa ana ave Costa Mesa CA 92627
<b>Addressee:</b>	Frederick Johnson 37 S. Burnett Springfield OH 45505

Through training and experience as a Postal Inspector, I know the Southern California area is a well known source for drug shipments throughout the U.S. I also noticed an excessive amount of taping upon the Package.

4. I performed a check in CLEAR database for the addressee's information on the Package of "Frederick Johnson 37 S. Burnett Springfield OH 45505." CLEAR is a law enforcement database that is used as a tool for investigators designed to link subjects to a particular address. According to CLEAR, there is a "Frederick Johnson" associated with 37 S Burnett.

5. I also performed a check in CLEAR for the sender's information listed on the Package of "Conner Cook 2452 Santa ana ave Costa Mesa CA 92627." According to CLEAR, there is no "Connor Cook" associated with 2452 Santa Ana Ave, Costa Mesa, CA 92627.

6. On November 12, 2021, at my request, Dayton Police Department Officer Jeremy Stewart conducted a narcotics-detection canine "free air" check of the outside of the Package. I

was present during said check. The Package was placed in a controlled area and presented to narcotics-detection canine, "Weston." As set forth in the attached affidavit of Officer Stewart, "Weston" alerted positively for the presence or odor of a narcotic or other controlled substance on the Package. "Weston" is a properly trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package's address information, including (i) no known association between the sender and return address, (ii) the Package being sent from a known source location to an area of known drug activity and (iii) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds in the Package.

Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Respectfully submitted,

Joseph L. Rossiter  
Postal Inspector  
United States Postal Inspection Service

UNITED STATES POSTAL INSPECTION SERVICE

PITTSBURGH DIVISION

OFFICER AFFIDAVIT

I, Officer Jeremy Stewart, am and have been employed by the Dayton Police Department since 2014. Among other duties, I am currently the assigned handler of narcotics detection canine "Weston" which is trained and certified in the detection of the presence or odor of narcotics described as follows:

Marijuana, Cocaine, Methamphetamine, and Heroin

On 11/12/21, at the request of Postal Inspector ROSSITER, I responded to the DAYTON P&DC, where "Weston" did alert to and indicate upon: [describe item]

9505515069861313017841  
Conner Cook                   Frederick Johnson  
2452 Santa Ana Ave       37 S. Burnett  
Costa Mesa CA 92627       Springfield OH  
  45505

Which, based upon my training and experience and that of "Weston", indicates there is contained within or upon the above described item, the presence or odor of a narcotic or other controlled substance.
